

Little Sisters of the Poor

Caring for the elderly poor since 1839

January 10, 2023

Dear Jeanne Jugan Community,

Brief Update:

COVID ACTIVITY:

The Home continues to have increase COVID activity among a few staff members and residents. All have minimal symptoms and have been offered treatment with antivirals. The Home is following the RI DOH guidance and continue with our surveillance testing.

Please, once again, reconsider visiting if you have any cold symptoms, even if the symptoms are mild such as a “scratchy throat.” Also, please reconsider visits outside the Home if there is potential that your loved one will be exposed. As you are well aware, the virus spreads rapidly in our community.

If you have any questions, please reach out to us. You can always visit our website, <https://www.littlesistersofthepoorpawtucket.org/> for any COVID updates.

Thank you for your continued prayers and support!

Mother Patricia Metzgar
